

PLEASE READ AND SAVE THESE INSTRUCTIONS

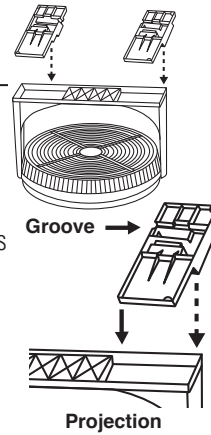

IMPORTANT INSTRUCTIONS

When using electrical appliances, basic safety precautions should always be followed to reduce the risk of fire, electric shock, and injury to persons, including the following:

1. Read all instructions before using this appliance.
2. Use fan only for purposes described in the instruction manual.
3. To protect against electrical shock do not immerse unit, plug or cord in water or spray with liquids.
4. To avoid fire or shock hazard, plug the unit directly into the appropriate electrical outlet.
5. Unplug from outlet when not in use, when moving fan from one location to another, before putting on or taking off parts and before cleaning.
6. Avoid contact with moving parts. Never drop or insert any object into the openings of the unit.
7. Do not operate in the presence of explosive and/or flammable fumes.
8. Keep cord out of heavy traffic areas. To avoid fire hazard, never place the cord under rugs or any parts near an open flame, cooking or other heating appliance.
9. Do not operate any appliance with a damaged cord or plug after the appliance malfunctions, or has been dropped/damaged in any manner. Take it to an Authorized Service Center for its examination and/or repair.
10. The use of attachments not recommended or sold by the appliance manufacturer may cause hazards.
11. Do not let the cord hang over the edge of a table, counter or come in contact with hot surfaces or leave exposed to high traffic areas.
Do not use outdoors.
12. To disconnect, grip plug and pull from wall outlet. Never yank on cord.
13. Always use on a dry, level surface. Never place on a soft surface such as a bed or sofa as this could cause the unit to tip over and block the air inlet or outlet grills. Do not place anything on top of unit.
14. Do not use it in a window. Do not use without support feet installed. Do not mount the LPF007 fan to the wall. The size and weight of this fan does not allow it to be securely mounted.
15. This product is intended for household use ONLY and not for commercial or industrial applications.
16. **WARNING: To reduce the risk of electrical shock and injury to persons, do not place it near a door or window.**
17. **WARNING: To reduce the risk of fire or electric shock, do not use this fan with any solid-state speed control device.**
18. **CAUTION: In order to avoid a hazard due to inadvertent resetting of the thermal cutout, this appliance must not be supplied through an external switching device, such as a timer, or connected to a circuit that is regularly switched on and off by the utility company.**
19. This product was not designed or intended to be used with an extension cord.
20. This appliance is not intended for use by persons (including children) with reduced physical, sensory or mental capabilities, or lack of experience and knowledge, unless they have been given supervision or instruction concerning use of the appliance by a person responsible for their safety. Children should be supervised to ensure that they do not play with the appliance.
21. Close supervision is necessary when any appliance is used by or near children, or incapacitated individuals.

SUPPORT FEET ASSEMBLY INSTRUCTIONS. FAN IS NOT STABLE WITHOUT SUPPORT FEET ATTACHED.

1. Lay fan on its face as shown and rotate stand upright. (A loud clicking sound is normal when fan stand is rotated.)
2. Separate support feet by cutting interconnecting tab.
3. Support feet and stand are marked "A" & "B" on the underside. Align groove at "A" on the stand. Firmly press down to snap into position. Repeat with foot "B".
4. The fan is now stable and ready to use.

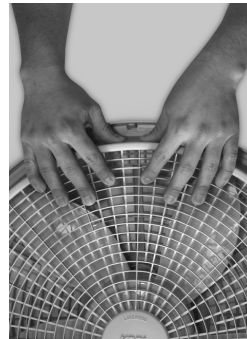

OPERATING INSTRUCTIONS

Remove the cord set from the package. Insert the end of the cord set with the two round holes into the motor plug located on the back of the fan near the center of the grill. Make sure the rounded side of the cord plug is matched with the rounded side of the motor plug. Firmly insert until the cord locks into the motor plug – Once the cord is locked into place it cannot and should not be removed from the motor. Plug fan directly into a wall outlet of the same voltage as your fan. A loose fit will cause overheating and damage to the plug.

CLEANING

BEFORE CLEANING THE FAN, UNPLUG THE POWER CORD. To remove the front guard place fingers between rear guard and front guard as shown. Push inward then upward with thumbs to ease the lip of the guard over the tab. Repeat this operation at the next tab. The guard can now be removed by sliding it out from under the remaining tabs. Clean grills and blade with damp cloth. Avoid harsh chemical cleaners. DO NOT IMMERSE THE MOTOR, SWITCH, or WIRES IN WATER. To reinstall the guard, lay the fan on its back on the floor, orient the guard such that the label is upright and level, press down on the guard. Snap front guard into position before plugging in power cord. Allow fan to dry completely before use. Excess dust accumulated on the vent slots of the motor can be easily removed with a vacuum cleaner. Your fan motor is permanently lubricated and requires no additional oil.

FAN STORAGE

When storing your fan in the off-season, it is important to keep it in a safe dry location. It is important to protect the fan head from dust.

1 AÑO DE GARANTIA LIMITADA

Sunbeam Products, Inc. y sus afiliadas y sus subsidiarias garantiza que este producto estará libre de defectos en material o mano de obra por un periodo de UN año a partir de la fecha de la compra. Sunbeam Products, Inc. y sus afiliadas y sus subsidiarias, a su elección, reparará este producto o cualquier componente del producto que se encuentre defectuoso durante el período de garantía.

Esta garantía es válida para el comprador original al detalle desde la fecha de compra original al detalle y no es transferible (No aplica para México). Para hacer efectiva esta garantía no deben exigirse mayores requisitos que la presentación del producto, la factura de compra (excepto para México y Venezuela) y esta póliza, debidamente llenada, sellada y fechada por el establecimiento que lo vendió, en cualquiera de los Centros de Servicio Autorizado que se indicaran en este certificado.

Los concesionarios Bionaïre®, Centros de Servicio Bionaïre® Autorizados, o almacenes de ventas al detalle de productos Bionaïre® no tienen el derecho de alterar, modificar o cambiar, de manera alguna, los términos y condiciones de esta garantía. Incluye la reparación gratuita de cualquier parte, pieza o componente que eventualmente fallara, y la mano de obra necesaria para su revisión, diagnóstico y reparación, así como los gastos de transportación del producto, a partir de la fecha de su recepción dentro de la Red de los Centros de Servicio Autorizado, derivados del cumplimiento de esta póliza. El presente certificado ampara únicamente al USUARIO, siempre y cuando el artefacto sea aplicado al USO DOMESTICO.

Sunbeam Products, Inc. y sus afiliadas y sus subsidiarias se exime de hacer efectiva esta garantía sólo en los siguientes casos:

- a) Cuando el producto se hubiese utilizado en condiciones distintas a las normales.
- b) Cuando el producto no hubiese sido operado de acuerdo con el instructivo de uso que se le acompaña.
- c) Cuando el producto hubiese sido alterado o reparado por personas no autorizadas por el fabricante nacional, importador o comercializador responsable respectivo.
- d) Uso en voltaje o corriente incorrecta, o fallas en el suministro eléctrico.
- e) Desgaste normal de partes y piezas por efecto de uso.
- f) Daños ocasionados por transporte o manipulación del artefacto.
- g) Recipiente de vidrio, focos y accesorios.
- h) Uso industrial o comercial del artefacto.

Al término de su póliza de garantía, los centros de servicio Bionaïre® autorizados, seguirán a sus órdenes para brindarle el servicio que usted se merece, siempre con la confianza de la marca Bionaïre®.

1 - YEAR LIMITED WARRANTY

Sunbeam Products, Inc. and its affiliates and its subsidiaries warrant that for a period of ONE year from the date of purchase, this product will be free from defects in material and workmanship. Sunbeam Products, Inc. and its affiliates and its subsidiaries at its choice will repair this product or any component of the product found to be defective during the warranty period.

This warranty is valid for the original retail purchaser from the date of initial retail purchase and is not transferable. For this warranty to be honored it will be necessary to present the product, the purchase receipt (except Mexico and Venezuela) and this policy filled out, sealed and dated by the retailer who sold the product, in any Authorized Service Center listed in this certificate.

Bionaïre® dealers, Authorized Bionaïre® Service Centers, or retail stores selling Bionaïre® products do not have the right to alter, modify, or any way change the terms and conditions of this warranty. It includes the repair or free replacement of any faulty accessory, part or component and the labor required to check, diagnose and repair the product. It also includes any expenses related to the transportation of the product needed to fulfill this policy from the date it is received within the Network of Authorized Service Centers. This certificate is only effective to the USER as long as the appliance is used for HOUSEHOLD USE only.

Sunbeam Products, Inc. and its affiliates and its subsidiaries will not cover under warranty the following cases:

- a) If product was used in any manner other than the intended one.
- b) If product has not been used according to the instruction manual included with the product.
- c) If product was altered or repaired by anyone other than those authorized by the national manufacturer, importer or respective merchant.
- d) Use of incorrect current or voltage or faulty electric power supply.
- e) Normal wear and tear of parts and accessories resulting from regular use.
- f) Damages resulting from transportation or handling of appliance.
- g) Glass containers, light bulbs and accessories.
- h) Industrial or commercial use of appliance.

At the end of this warranty policy, the authorized Bionaïre® service centers will continue at your disposal to grant you the service you deserve with the trust of the Bionaïre® brand.
